

# Mounting Bracket

Mounting bracket in stainless steel for antennas with 50 mm mounting base. The bracket fits the VPA 30-antenna and Mark-series antennas from Mark 14 and up. The angle of the bracket is adjustable.

Size: (H) 215 x (W) 95 x (D) 400 mm

9506

*Since 1971, the objective of Naval Electronics has been to offer the best possible products for TV and Radio reception at sea. Naval began with omnidirectional antennas and is the world leader in this field of technology today. Now, with an expanded product range, the name Naval means much more than antennas. Naval operates in more than 40 countries and has installations on thousands of vessels all over the world.*

*All specifications stated are subject to change without notice.*
